

A photograph of an industrial facility, likely a power plant or refinery, featuring a complex network of white pipes, blue valves, and silver machinery. The scene is brightly lit, suggesting an indoor or well-lit outdoor environment. The machinery is arranged in a structured, grid-like pattern, with various pipes and valves connected to a central system. The overall impression is one of a modern, well-maintained industrial environment.

ENERGY | OUR SERVICE PACKAGE

Energy Efficiency – Energy Management – Energy Technology

For your success in Brandenburg.

DOES YOUR COMPANY WANT TO SAVE ENERGY AND MONEY? WE'LL SUPPORT YOU.

Brandenburg Invest (WFBB) is not only the Brandenburg economic development corporation but also the Energy Saving Agency of the state of Brandenburg. We can provide comprehensive advice on all questions related to the efficient use of energy and help you cut costs. Our experts in the WFBB Energy division will be delighted to assist you – with services tailored to you, free of charge and with complete confidentiality.

We'll advise you on optimising your energy consumption

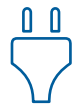

Do you want to improve the energy efficiency of the buildings and processes in your company? To help you make the right decisions, we are pleased to invite you to a free initial consultation. Together with you, we will analyse the energy consumption in your company, acquaint you with tailored solutions for the short- and medium-term optimisation of your energy costs and offer recommendations on implementation. If you already have plans for concrete measures to improve your energy efficiency, we provide our neutral assessment.

We'll assist you as you implement efficient energy management

Are you, as a company, legally required to introduce an energy management system or to regularly conduct energy audits? Our experts can assist you with the selection of a suitable analysis and planning instrument and are glad to inform you about funding options. Our goal is to help you implement an efficient energy management system in your company with reasonable efforts.

We'll support your resource-conserving growth at your location

Is your company growing and are you looking to expand at your Brandenburg site? Do you want to integrate new resource-conserving production lines or optimise your building in terms of energy efficiency? We are also happy to assist you here – from the initial consultation to applying for the ideal funding programmes. Your personal WFBB contact person will be pleased to support you with your company's continued development.

TAKE ADVANTAGE OF OUR CUSTOM SERVICES:

- from the evaluation of suitable measures to reduce your energy consumption and increase your energy efficiency to the introduction of suitable energy management systems
- from the free initial consultation to finding suitable funding programmes
